Foreword

Over our vast prairies and majestic mountains came men, women, and children who courageously faced hardships, starvation, and death so that our state was able to grow and prosper as a part of a great nation. With these early pioneers came deep fears and numerous disappointments, but high hopes and a strong abiding faith in the future of this unique land. Foresight, courage, strength, love, and aspiration were characteristics of these early settlers who created what we have today from the stubborn wilderness.

As citizens and teachers we must accept the responsibilities and obligations which are our heritage, bequeathed to us by the Montana Pioneers of yesteryear. We dedicate ourselves and our efforts to the work begun by these first Montanans. It is indeed fitting that during this Centennial Year of 1964, this *Chinook* be a tribute to these brave individuals who made Montana the Treasure State. We must never forget that the trail of destiny demands such gifts of the present if men are to build for tomorrow as those of yesterday built for today.

The PASSAGE OF ONE HUNDRED YEARS HAS NOT ERASED The Symbol Of WESTERN GLAMOUR—The MONTANA COWBOY

Dedication

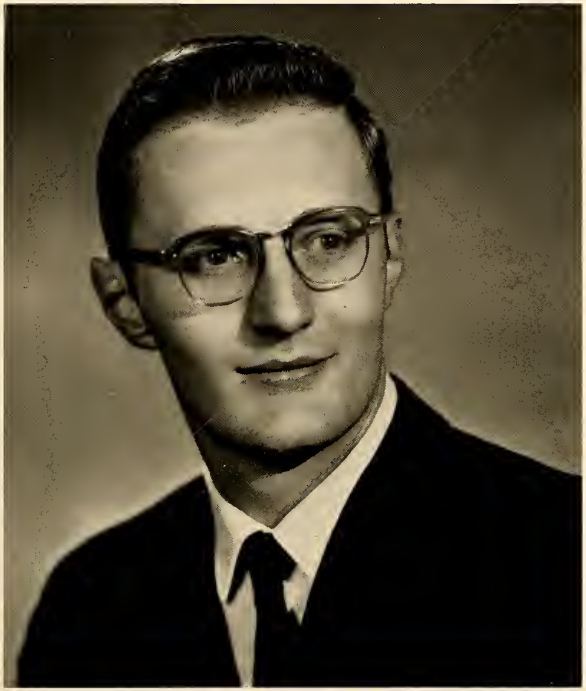
PROFESSOR LAURENCE A. WALKER

We, the class of nineteen hundred and sixty-four, respectfully dedicate the 1964 *Chinook* to the memory of a fine friend and teacher, Mr. Laurence A. Walker, Associate Professor of Education, who died December 22, 1963, while he was a member of the Western Montana College Faculty.

Professor Walker's contributions to Montana education—as a public school teacher, administrator, and educator—were both numerous and immeasurable. He generously gave of himself so that the individual and the community were better for his having been among us. Though he will sadly be missed, Mr. Walker long will be remembered by his many appreciative students, colleagues, and friends on the Western campus and throughout the state.

In Memoriam

The Chinook staff dedicates this page in memory of Norman Heath, an outstanding 1963 graduate of Western, who lost his life in a car accident in the winter of 1964. Norm added much to Western's progress during his attendance here, particularly as editor of the *Wescolite*.



NORMAN EDWARD HEATH

Honorable age is not that which standeth
In length of day or number of years;
Having fulfilled his course in short time
He fulfilled long years.

—Solomon—

In Memoriam

"ASK NOT WHAT YOUR COUNTRY CAN DO FOR YOU . . .

. . . ASK WHAT YOU CAN DO FOR YOUR COUNTRY."

PRESIDENT JOHN FITZGERALD KENNEDY
1917-1963

During his short tenure John Fitzgerald Kennedy, our thirty-fifth President, led the people of this country to the threshold of a New Frontier in national and international affairs, in space and in labor-management relations, and most assuredly in education and in numerous cultural undertakings. His idealism provided incentive for all Americans to attain new vistas in human understanding and accomplishment. In this brief period he helped shape a part of the future of our nation, a future in a troubled world marked by prejudice, bigotry, and hatred. All people admired his dynamism and efforts for the preservation of peace on this earth.

President Kennedy, a staunch advocate of intellectual achievement, once eloquently stated: "The future of any country . . . is damaged . . . whenever any of its children are not educated to the full extent of their talent, from grade school through graduate school."

The improvement of the quality of education in the United States was foremost among his concerns, and some of his last words comprised the significant statement: "In a world full of frustrations and irritations, America's leadership must be guided by the lights of learning and reason."

The death of President John Fitzgerald Kennedy was an immeasurable loss to the United States and to the world. He will remain in the minds and hearts of his countrymen as a hero and true friend of the masses, a leader of great vision, and a great American citizen to be remembered and emulated.

President's Message

As the years go by, you will look upon this "Chinook" as your continuing bond between the then present and the current now—which will then be the past. By means of its pages and pictures you can fit names with memories of faces and faces of those you chance to meet with names—names that elude you when you most need them.

Events of the weekend included a snake dance, pep rally, parade, Homecoming Queen, dinner, and M-Club Dance.

In spite of the rain, the Bulldogs gave a very successful and impressive win over the Eastern Yellowjackets by a score of 12-6. With the win the Bulldogs clinched the title for the MCC upper bracket.

New members are initiated into the Art Club at the beginning of each quarter in an impressive candlelight ceremony in the Club Studio. The highlight of the year is the club banquet in the spring.

The Art Club is supported by funds obtained through its shop sales and the items sold at these sales are made by members of the club.

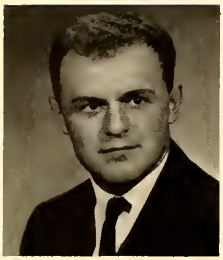
Who's Who

It was announced by Professor Joe Ryburn, Chairman of the Scholarship and Awards Committee, that Western will be represented by eleven seniors in the 1964 edition of Who's Who in American Colleges and Universities.

These eleven seniors have contributed a great deal to the school life at Western through the various organizations in which they have participated.

The eleven were nominated on the basis of demonstrated ability and leadership.



Richard Cadieux

Rick's contribution to WMC can be measured by the many activities he has been in. He was sophomore class vice-president, M-Club secretary-treasurer, and is the Newman Club president. Rick has worked hard for Western publications by being sports editor of the WESCOLITE and the 1963 CHINOOK. He is also a member of the Chanticleers.

Frances Horner

Frances' abilities vary from scholastic to athletic. She has been a member of KZN all four years and was vice-president her junior year. She has been a member of the Girls' House Council for four years. In her sophomore year, Frances received a Cobb Foundation scholarship, and she also earned the outstanding girls' softball award.

At the close of her junior year, Frances signed a contract at Choteau, where she taught kindergarten for one year. This fall she re-enrolled at WMC and plans to graduate in March.

Marvin Anderson

Marvin was president of Inter-Varsity his sophomore and junior years, and he also belonged to the Lutheran Student Association. At ball games Marv can be seen playing the baritone in the pep band. This year he is a member of the cultural committee. Besides these extracurricular activities, Marv has worked two years as headwaiter for Saga Foods.

Linda has been a member of Rodeo Club, Chanticleers, KXN, and House Council. This year she is a head proctor. She was junior class secretary-treasurer, and she was the associate editor of the '63 CHINOOK. Linda is always on the honor roll, for which she was awarded the Cobb Foundation Scholarship her junior year.

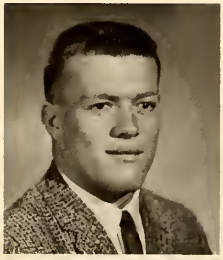
Linda Foote

Pat has become very active around campus, but his biggest contribution is in football.

Playing for the Bulldogs all four years, Pat's gridiron feats gained him a berth on the All-Conference team his senior year and honorable mention his junior year. This year Pat continued in sports as assistant football coach and as the junior varsity basketball coach.

With these responsibilities, Pat has undertaken the important job of being superintendent of the boys' dormitories.

Pat has been secretary and vice-president of the M-Club, and he was in the musical, "Li'l Abner."

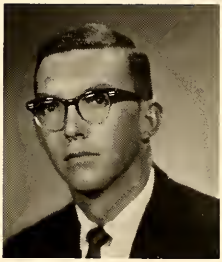


Patrick Delger

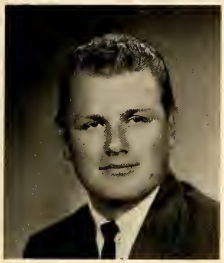
Carol Lemon

Carol has been secretary of WRA, regional director of SEA, a member of the girl's house council and a member of KZN. In her junior year Carol was elected Student Body Secretary. Carol's abilities extend from these organizations to her success in Westernettes and in the musical put on each spring. Last year she was a homecoming princess.

Last year Ed gained his greatest achievement when he was elected Student Body President. Ed has accepted the responsibilities of this office and can be seen working diligently for the betterment of Western. Ed also is a member of Forensics and Chanticleers. In his junior year, Ed received a Montana PTA Scholarship.



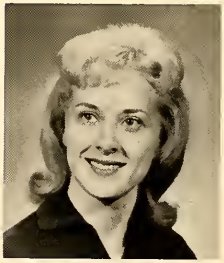
Ed Zink



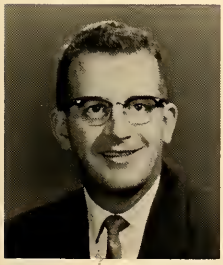
Tony Barone

Tony's past experience was recognized this fall as the students elected him to Student Affairs, where he was placed on the Cultural Committee. Since assuming this responsibility, Tony has worked hard to bring entertainment to Western. Tony had very prominent roles in four major plays, but he now wishes to help Gargoyles as stage manager. During his sophomore and junior years, Tony was president of Gargoyles.

Bonnie's tremendous ability has gained her a lead in three musicals—"The King and I," "Li'l Abner," and "Bye Bye Birdie." Her talent on the stage also won Bonnie a lead in the spring play her freshman year. Bonnie also has been captain of the Westernettes for two years, a member of WRA sports board, Music Club vice-president, CHINOOK editor in '63, and a member of Chanticleers. Her freshman year, Bonnie was a Miss Western candidate, and she was a homecoming princess her sophomore year.



Bonnie McMorris



Eugene Ardisson

A member of Gargoyles, Eugene has taken part in every play that has been presented, which earned him the Dramatics M last spring. Besides acting, he has been active in chorus. In addition, Gene is a consistent honor roll member.

During his junior and senior years, Jim was chosen for the All-Conference team for the talent he showed on the football field. In his four years of ball, Jim has ranked high in the National Association Intercollegiate Athletics passing standings. By chalking up huge chunks of yardage, Jim has shown that he is not just a good passer but also a good runner. Jim is now the vice-president of the M club.

Effective public speaking is logical, practical communication which has as its aims to add through the appropriate language of speech and gesture to the information and knowledge of listeners or to influence their attitudes and conduct. To be able to communicate well is increasingly essential in today's highly complex society. Future teachers must concern themselves with aspects of forensic activities, which on the Western campus include debate, oratory, extemporaneous speaking, and interpretative reading.

During the Spring Quarter, 1963, Western's Association members attended the Montana State Speech Tournament on the campus of Rocky Mountain College in Billings.

Association members also spoke at various functions of civic groups in and around Dillon. On two occasions students participated in the Montana Student Forums on the campus on Montana State College. These discussions were taped and then played on various radio station programs throughout the state.

The rodeo team is made up of those individuals who wish to compete in the intercollegiate sport of rodeo, which is a fully sanctioned and approved college activity. The sport is one of individual points and a team total. The boys' and girls' teams are figured separately. There are six regions in the United States and the top two teams from each region (boys and girls), and the three high in each event go to the national finals which will be held this year at Douglas, Wyoming, in June.

Rodeo as a sport emphasizes the range skills of the West which are basic learnings of good westerners. These skills are matters of pride among those living in the contemporary culture of the rangeland states.

Last season, 1963, Western won the Rocky Mountain Regional Championship. Shawn Davis was awarded the distinction of Collegiate World Champion as all-Around Cowboy, and Bareback Bronc rider. Joe Feathers is currently National President of the National Intercollegiate Rodeo Association.

The Newman Club, the Catholic organization on campus, gives spiritual aid to the Catholic students. The Mardi Gras, which was sponsored by the Club, was held in the SUB the week previous to Lent. The Lutheran Students' Association is a campus-wide organization for Lutheran students. Every Sunday evening they have suppers at the church followed by Bible study and discussion. In the spring they have a chance to attend a spring retreat with other LSA's in Montana.

Mardi Gras

Colorful streamers, bright balloons, and gay masks set the scene for an exciting Mardi Gras dance in the ballroom of the SUB.

Many of those attending were dressed in a variety of costumes, including everything from the Roaring 20's to the modern beatnik.

Prizes were given for the two best costumes and the prizes went to Pat Rogers and his date, Leanne Braun, who were dressed as two little children.

As the dance neared an end the balloons were pulled down by souvenir seekers. One could easily tell by the smiling faces that everyone had a very good time.

11 Wins **14 Losses**

BOB BRADLEY
Co-Captain
Bob is 6-6 in height and very well equipped in the big three requirement—agility, mobility, and versatility. Bob's effective play earned him honors as The Most Valuable Player at the Carroll Invitational in Anaconda.

DICK SILBERMAN
Co-Captain
Dick rated All-Conference honors at Western his sophomore year. His fine outside shooting and dribbling ability provided much assistance to this year's team.

LARRY SCHMAUTZ
Larry is the best "outside" defensive man on the squad. At forward position, Larry's confidence seems to be his greatest asset. He displayed fine outside shooting from the corner.

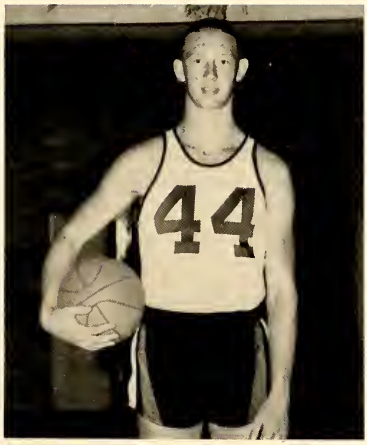
CHUCK JOHNS
Chuck, being one of the taller members of the Bulldogs, proved to be effective in rebounding and shooting. His aggressive play resulted in a very fine year.

BOB SULLIVAN

Bob is playing his second year of varsity ball. His hustle and fine defensive play should prove to be of great value to next year's team as it was to this year's Bulldogs.

JACK SILLIKER

Jack is highly effective at close range. His ability as a rebounder enabled Jack to see much action during this season.



TED ANDERSON

Ted is the team's number two big man. His fine jumping enabled him to bring down many rebounds. He has done a fine job this year at forward.

WAYNE LERSBAK

This is Wayne's second year on the Bulldog squad. Much hustle and hard work garnered him a place on this year's team. His performance indicates a lot of offensive skill.

GARY DREIKOSEN

Gary is a draftee from intramural where he displayed outstanding shooting and good floor play. These two qualities will make him a threat on next year's team.

W.R.A. at Play

The Women's Recreation Association at Western sponsored an intramural girls basketball tournament. There are five teams competing and the tournament is being played on a regular round-robin basis. The games are played on Monday nights from 7:00 to 9:30.

The girls organized their own teams, elected a captain, and gave themselves a name. Night Caps, Pink Elephants, Old Ladies, Hustlers, and Student Wives are the names of the five teams now competing. Several of the girls themselves officiate at the games.

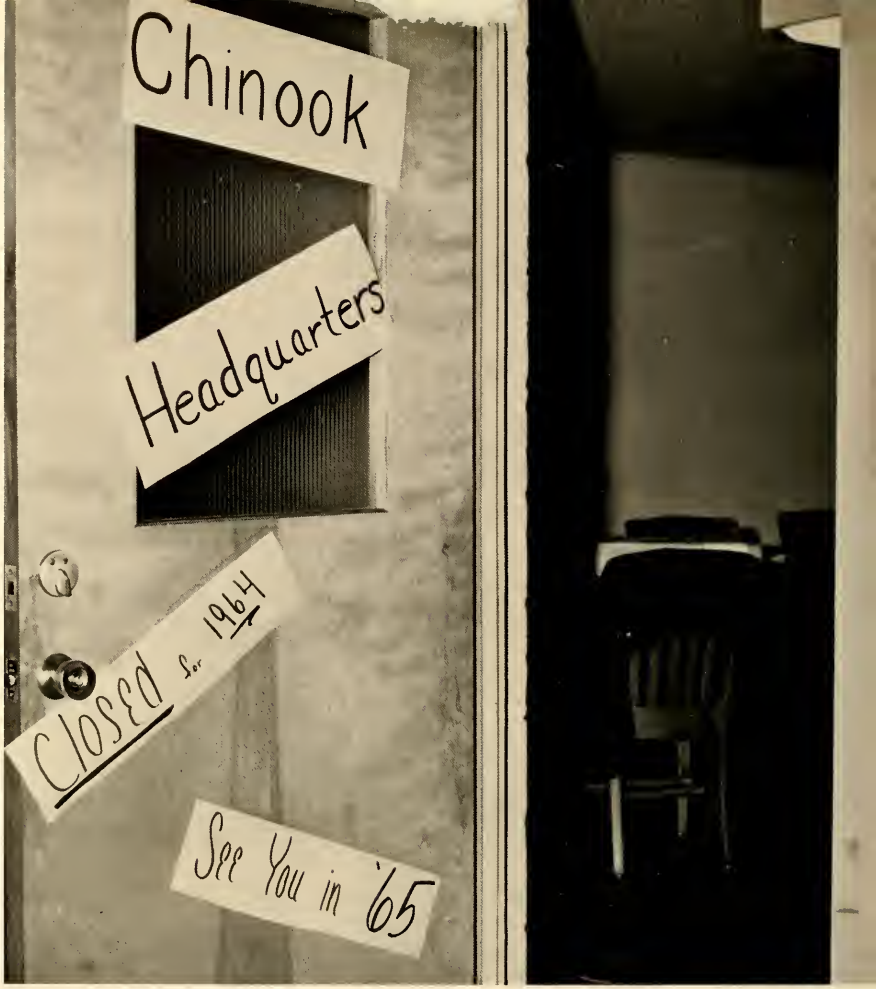
Editors Farewell



Well, it's finished! The last page of the 1964 Chinook has been sent to the publisher. All the worry, work, and frustration is over at last and I must confess that it has been well worthwhile.

I would like to take this opportunity to thank Miss Blanche McManus, our sponsor, for her co-operation. Her never-ending faith and patience gave each of us confidence and new means of expression. My sincere thanks go also to my devoted staff without which this edition of the Chinook would have been totally impossible. Each and everyone of you deserves the utmost praise for a job extremely well done. Others who deserve a vote of thanks from the entire staff for making our annual a success are Mrs. Fred Woodside, Miss Georgia Mathews, R. E. Lyons, Lester Jones, Mr. Joe Ryburn, Gile Mitchell, Mrs. Theodore Hazelbaker, Father Kerrigan, Beaverhead County Museum, the Methodist Church, and Mr. Roscoe Wright. A very special thank you goes to our photographers, Mr. and Mrs. Saito, whose diligent work and co-operation were very much appreciated.

This school year has held many memories for all of us—new friends, experiences and goals. The book you hold in your hands now is a product of these memories and I hope it is everything you had anticipated and meets with your utmost approval. The memories of this year will be cherished forever by each of you, and I am hoping that as you travel the road of life you remember that "Nothing is impossible to a willing heart."

Sincerely,

Carol

COST TO EDUCATE: $5,520

The cost of educating one Montana child has doubled in the last 15 years. Today it costs $5,520 to send one child from the first grade through public high school.

Where does the money come from to educate our children, build our schools and pay our teachers? From taxes — both individual and business.

Last year, for example, nearly 3 million dollars of the taxes Montana Power paid went directly into education.

That's enough money to educate 6,500 for a full school year. Or it would build 150 new classrooms, buy 750,000 textbooks or pay the salaries of 611 teachers for a full year.

None of our tax money was more wisely invested. For it helps to stimulate and enlighten the minds of our young people.

In their hands rests the future of our state.

FREE ENTERPRISE

America's free enterprise system, with its twin stimulants of incentive and competition, has produced an abundant and satisfying life for its citizens.

So, it becomes the responsibility of every American to understand the workings of a system which has resulted in the greatest good for the greatest number.

There are those who for one reason or another want to alter this way of life. To successfully defend this dynamic American economic system and its dependence upon free competition and private initiative requires the best thinking of an informed citizenry.

Intelligent defense, the most effective, begins with the education received in our schools. It is in the schools that the understanding of our American heritage, of which free enterprise is a part, is formed.
